

Symposium on Spintronics and Quantum Information

January 11-13, 2024, Będlewo, Poland

Symposium is organized by the Institute of Spintronics and Quantum Information (ISQI) of the Faculty of Physics of the Adam Mickiewicz University, Poznań. Since its establishment on January 1, 2021, ISQI has been organizing yearly symposia on broad aspects of condensed matter physics and quantum information.

INVITED SPEAKERS:

Oleksandr Dobrovolskiy
Tomáš Novotný

Tadeusz Domański
Adam Sajna

Tobias Grass
Victor Tkachenko

Maciej Maśka
Vojtěch Trávníček
